## Terms and conditions

1. Voicemail retrievals are charged in 60 second blocks. Calls to mobile or landline numbers in Australia are charged in 1 second increments.
2. The stated monthly access fee for an optional data bundle is charged in addition to the monthly plan fee.
3. Your chosen data bundle sets out the amount of included data that you can download and upload in a billing month. If you exceed your included monthly data allowance, excess usage will be charged at \$0.60 per MB or part thereof.
4. At the end of each billing month any unused included data will be forfeited.
5. Usage includes both downloads and uploads.
6. If you do not purchase an optional data bundle and access data on your mobile phone you will be charged the pay as you go rate of \$0.55 per MB or part thereof. All data access, use and monitoring is the responsibility of the account holder.
7. Actual data network speeds, both upload and download, may vary depending on the type of device in use, the location, and the number of users accessing the network at any given time. Upload speeds are slower than download speeds.
8. International roaming is charged at a rate levied by the overseas carrier plus a roaming charge. All incoming calls when roaming will incur roaming charges.

This price list is effective 15<sup>th</sup> March 2011. All prices include GST.
